MEMORANDUM

In order to replenish the learning gap that might have arisen among the pre-primary and primary grade students during ongoing summer vacation, a massive learning drive need to be initiated from the very first day after re-opening of schools, where sole emphasis has to be given on loud reading with understanding, writing and numerical practices as per the revised lakshyas of NIPUN.

This learning drive will be implemented for students between Balvatika-3 / KG-2 to Grade-3 for one month from the commencement of classes after summer vacation.

For Grade-1 student's teaching-learning process should be conducted as per Vidyasetu Module, until completion of the 9-week course with desired outcome.

The 'Students Progress Monitoring Register' should be maintained as per the prescribed format and student's development in learning level must be updated in each 15 days interval as per guideline.

For pre-primary grades activity-based learning should be ensured including maximum use of low height blackboards, BaLA feature and Jadui Pitara TLMs.

BRPs and CRPs must ensure implementation of this learning drive in their adopted schools and support the practice with hand-holdings and inspecting each aspects aiming effective implementation of all practices.

During this learning drive to encourage the students, small token of appreciation may be arranged by the schools.

District Education Officers (DEOs) are hereby requested to disseminate the information to all concerned, ensuring commencement of the initiative from 10th June, 2026, in all schools under their jurisdiction. DEOs are also requested to disburse necessary fund to the concerned schools, to support the process, by utilizing the unspent funds of NIPUN and Pre-primary, in the office of DEOs.

To ensure proper and effective implementation of above all practices school inspections should be conducted by all inspection authorities and during inspection spot assessment of students to judge the learning level of students should be conducted and use of Vidyasetu Module also to be verified.
